## President's Letter

**Where has the year gone? We are well into a beautiful autumn and the holidays are just around the corner. I recall my mother doing 'fall cleaning' this time of the year. We are doing that also...fall cleaning, if you will. Our organization will be reevaluating our mission statement and our goals and objectives. We are working hard on ideas to enhance our website and need a fresh perspective. Membership is encouraged to attend upcoming meetings so we may have everyone's input. The next board meeting is set for November 5 at the Women's Center office located at 704B Arendell Street at 6:00 pm.**

**It is also time for our Annual Membership meeting and installation of the new officers. We will be holding an Open House on November 18, 2009, at 4:30pm and membership is encouraged to attend as we plan to hold our annual meeting immediately after the Open House. The event will be held at the Chamber of Commerce located at 801 Arendell Street in Morehead City. Food and drinks will be provided and there will be door prizes for those in attendance.**

*Our recent free seminar on Women's Eye Health was very informative and Dr. Scibal did a wonderful job and kept the attendees on their toes as he involved each of them with the presentation. It was informative and fun! We hope to have our next seminars in the late winter and early spring. Suggestions for topics are welcome and you can send them to [ccwomenscenter@msn.com](mailto:ccwomenscenter@msn.com) or PO Box 687, Morehead City, NC 28557.*

*Again, we encourage all members to attend the Open House and upcoming meetings as we move forward with our thought process regarding the Women's Center and its purpose and plans for the future.*

*Tina Willis Rodriguez  
CCWRC President 2009*
